ADDENDUM TO JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Thursday - 15 July 1976

1. [ ] LIAISON Met with Bill Hogan, House Armed Services Committee staff, and covered a number of topics with him. (See Memo for the Record.)

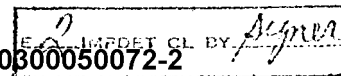

3. [ ] LIAISON I spoke with Marian Czarnecki, staff of the House International Relations Committee, about his forthcoming trip to China with a group of congressional staffers. I also mentioned the long delayed briefing on the last Presidential finding under Section 662 of the Foreign Assistance Act. This action was delayed by Chairman Thomas Morgan following several leaks from the Committee on the previous briefings which the Director had given them. Czarnecki said he thought this was something that had to be done and he would talk to Chairman Morgan about it and get back in touch with me.

OFFICE OF LEGISLATIVE COUNSEL

Thursday - 15 July 1976

1. [ ] EMPLOYMENT At the request of Beverly Sanderson, in the office of Senator John C. Stennis (D., Miss.) I forwarded two employment brochures to the Senator's office today.

2. [ ] BRIEFING Accompanied [ ] OSR, to a meeting with John Cove and William Cleary, both on the House Budget Committee staff, to discuss Soviet strategic capabilities re hostilities in Western Europe. The House Budget Committee requested the meeting to determine if a CIA formal briefing might be appropriate at the beginning of the 95th Congress. Cove and Cleary indicated they wanted to stay away from any review of CIA budget matters, but were interested only in substantive intelligence to help assess Soviet threat vis-a-vis U.S. Defense Budget.

3. [ ] LIAISON Accompanied [ ] DDO/EO, to a briefing of Larry Eagleburger and Kempton Jenkins, at the State Department, [ ]

(See Memorandum for the Record.)

4. [ ] BRIEFING I called George Berdes, Subcommittee Consultant, House International Relations Committee, and told him that his request to Anthony Lapham, General Counsel, had been referred to this office, since we were the office that handled such requests. He said he inadvertently dialed Lapham's number, and said he would contact us in the future on such requests. I discussed with him his reason for wanting a briefing on the newspaper article with respect to Egypt's use of nerve gas. He said that this subject was of considerable interest to Representative Clement Zablocki (D., Wis.), Chairman of the Subcommittee on International Security and Scientific Affairs, and that Zablocki expected him to stay on top of such matters rather than react to problems brought to Zablocki's attention. I told him we would try to set something up for next week.

[ ] has been advised.
